

**COURT OF COMMON PLEAS  
DIVISION OF DOMESTIC RELATIONS  
HAMILTON COUNTY, OHIO**

**Early Neutral Evaluation Participation Survey for Attorneys**

To monitor and improve the quality of the ENE program, the Court would appreciate you taking a few minutes to complete this questionnaire regarding your experience. All information will remain strictly confidential.

ENE was requested by:  my client     the other party     both parties     the Court  
This case is:     pre-decree     post-decree

1. To what extent, if any, did the ENE process increase the prospects for settlement? (*check only one*)

- The case settled (or will settle) as a direct consequence of ENE.
- ENE improved the prospects for settlement.
- ENE had no impact on the prospects for settlement.
- ENE worsened the prospects for settlement.
- This case was never a candidate for settlement.

2. For each item below, place a checkmark at the point on the scale that best reflects your views about the Evaluators.

a. With respect to helping the parties feel heard, the Evaluators were:

Very Effective                        Very Ineffective  
   5            4            3            2            1

b. With respect to providing appropriate feedback and recommendations, the Evaluators were:

Very Effective                        Very Ineffective  
   5            4            3            2            1

c. With respect to getting the sides to engage in meaningful discussion of the issues, the Evaluators were:

Very Effective                        Very Ineffective  
   5            4            3            2            1

d. Overall, the Evaluators were:

Very Effective                        Very Ineffective  
   5            4            3            2            1

3. Do you have any concerns about the Evaluators? If yes, please indicate the nature of your concern:

\_\_\_\_\_
