Water Line Petition

Honorable Board of County Commissioners,
Hamilton County, Ohio.

Gentlemen:

We, the undersigned owners of property described opposite our respective signatures, respectfully petition your Honorable Board to extend water supply lines along _____

_____

and to maintain and operate the same for and as a system of water supply to our said respective properties; in consideration of the County's going to the expense of having preliminary surveys and plans made and drawn and in consideration of favorable action of your Board on this and like petitions for the same improvement, and in consideration of the County's assuming the ultimate risk and liability for the payment of interest and principal on the assessment bonds that may be issued and sold in furtherance of this improvement against our lands and the other lands to be benefited thereby and hereby give our consent thereto and state that our respective properties will be benefited to the extent of the several assessments against them, and that the said improvement is necessary for the health, welfare and fire protection of the properties and persons living thereupon, and is a necessary convenience.

The publication of all resolutions and legal notices and the service thereof provided by law are hereby expressly waived and we expressly agree that all objections we might have to the constitutionality of the statutes of proceedings in connection with this improvement and to the legality, the amount and apportionment of the assessments when made and approved by your Board are hereby waived.
